

Maxon Platform DESIGN

► The mini folder concept

When we set out to create the Maxon mini folder, we were determined that it should set new standards for GPRS miniaturization. We believe, we succeeded.

Featuring matchbox dimensions, this mobile platform may well be the smallest GPRS handset in the world.

Nevertheless, this diminutive vessel of advanced cell phone technology is packed with user-favoured features, comprising:

- Polyphonic ring tones (16 tones)
- WAP 1.2.1
- SMS/EMS
- SMS group sending and concatenated
- Wallpapers
- Calendar & Tasks list
- Calculator
- SIM phone book
- Contacts database (150 entries with full address info)
- Predictive text input (T9)
- 3 funny games
- Download graphics over WAP/EMS
- Melody composer
- Data/Fax modem
- Vibrator
- LED service indicator

Accessories available

- Travel & car charger
- Headset
- Data/Fax cable
